## Simple, Effective, Proven

The all new DynaFlex® exclusive CS™5 System delivers non-compliance treatment for all Class II & Class III cases. The **NEW Twist-Lock™** Pivot was skillfully designed as a one-piece component with no moving parts. This will guarantee a no-hassle installation and improved performance. The CS™ System creates instant and consistent force levels, providing a smoother, more constant force that performs better and lasts longer. **Join the thousands of doctors worldwide that use the CS™ System.**

Traditional CS Pivot patent: US D794,804 S. CS® Hybrid Screw Patent US D749,737S. CS® Twist Lock Patent Pending.
